

Gorazd Ilievski

Aspiring UI/UX Designer and Multilingual Interpreter | Strength in Organization and Creative Thinking

📍 Skopje 📞 [070 567 720](tel:070567720) 📧 gorazdilievski54@gmail.com 🌐 <https://portfolio-gorazdilievskis-projects.vercel.app/> [Linkedin Profile](#)

Summary

Multilingual UX/UI Designer merging cross-cultural communication expertise with brand-focused digital design. Transform complex requirements into intuitive interfaces through user research, data-driven insights, and iterative prototyping. Leverage interpreting precision to build culturally resonant, accessible experiences that balance user needs with brand integrity.

Experience

Freelance

Interpreter/UX and UI Designer

Skopje

November 2024 - Present

- Preserved emotional intent and contextual nuances during high-stakes dialogues
- Clarified ambiguous statements to align diverse stakeholders
- Created wireframes → high-fidelity Figma prototypes
- Conducted user research (surveys, interviews) to define pain points
- Defined voice/tone guidelines for multilingual microcopy

APRA BCG
